

# Welcome Letter

August 16, 2014

Dear Parents,

Alsalam Alaykum.

It is with great anticipation and joy that I welcome you to the 2014-15 school year at the New Horizons Academy.

I been serving NHA for the past ten years and I have seen it grow (Alhamdolelah) and I'm looking forward to commit myself to give the very best I have for this great school and community "Insha'Allah".

I continue to feel extremely blessed to have the privilege of working alongside knowledgeable and faith filled parents, staff, and Board members who hold high expectations and continue to raise the bar for students and themselves. I continually challenge myself, as well to grow, and place high expectations on students both academically and spiritually. I pray that each person who enters our doors recognizes that our school is a great environment that helps our students grow, learn and be proud of whom they are.

With the help of "Allah Almighty" and his guidance "Insh'Allah"; I am confident that our school year will be blessed as our students grow in their love of faith and knowledge.

After teaching for Kids for years, I understand that these "Elementary Years" are tender and exciting. Young students are shedding their childhood qualities. They are growing physically, cognitively and forming personal identities. Parenting may be taxing at times, but our faith and understanding of what they need will support them through this most impressionable and rewarding time.

I look forward to seeing all of your children and being a small part of their lives. I hold a special place in my heart for NHA's student and they are to me as my own children.

Please do not hesitate to share your thoughts regarding your child's school success. Your concerns, ideas, and comments are appreciated and respected. Communication is vital to the success of our school.

I am excited for another wonderful year and I look forward to seeing you all on back to school night Tuesday, Aug. 19th 5:00 Pm-7:00 Pm.

I pray that you continue to enjoy these final week of summer. In turn, I ask you to pray for our entire NHA staff as we prepare for this upcoming school year.

Sincerely,

Ihsan Yaseen
